= Monitors without a foot/stand.

Available models:

2PD30AA HP E233 Head only

Advantages :

- Eco-Friendly
- **Lower price**
- Increase revenue & margin
- Free to choose variety of stand
- Increase multiple monitor solution sales
- Desktop Mini competitive differentiator solution

HP Single Monitor Arm

The perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product # BT861AA

Product Features and Benefits

- Space saving design frees up valuable desk space
- Supports up to one 24" diagonal display
- Flexible arm adjusts to your size, posture and work preference
- Locate the arm wherever it is most convenient for you on a desk, and secure then it with the adjustable clamp

HP Quick Release 2

- Attach the bracket to the back of your display's VESA mount and your PC platform to the bracket. Then slide the two together. It's that easy!
- "Sure-Lock" mechanism snaps the PC securely in place, and can be further secured with a theft-deterrent security screw
- Get the reassurance of a one-year limited warranty.

6KD15AA

HP Integrated Work Center Stand for USDT/TC

Maximize the use of limited desk space without compromising performance by accommodating USDTs or Thin Clients and most HP 17 to 24-inch diagonal LCD monitors*, with VESA standard mounting brackets

Product # E8H16AA

Product Features and Benefits

- Integrates your HP Ultra-slim Desktop PC or Thin Client¹ and most HP 17 to 24-inch² diagonal LCD monitors, allowing you to conveniently put the entire compact system configuration at your fingertips, saving valuable desktop space and making the most efficient use of space-constrained office environments
- Cable management clips help keep cables neatly dressed and concealed behind the stand
- Industry-standard VESA mounting holes enable high or low positioning of the USDT or Thin Client
- An adjustable stand with tilt, height and swivel lets you change positions throughout the day, helping you stay comfortable and productive
- Built-in HP Quick Release enables easy installation and removal of monitor

HP Integrated Work Center Stand for Desktop Mini / Thin Client

Designed to provide convenient access to the Desktop Mini and select Thin Clients* to help maximize the use of limited desk space without compromising performance or productivity. It will support many HP 17 to 24-inch¹ diagonal LCD monitors (see compatibility list below), with VESA standard mounting brackets.

Product # G1V61AA

Product Features and Benefits

- Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client³ that lets you create a compact desktop solution by combining a display¹ with an HP Desktop Mini or Thin Client*.
- Use the 15.5mm screws (provided) to attach to the base of the stand
- Save time and work smarter with easy front access to your HP Desktop Mini or Thin Client's* inputs, connectors, and power buttons.
- Run all of your cables through the guides, and secure the HP Desktop Mini's power brick out of the way on the back of the stand.
- Power brick tray for Desktop Mini keeps the power brick completely off the desk and out of the way.
- Find your best viewing position with adjustable height, tilt, and swivel adjustment settings.
- Built-in HP Quick Release enables easy installation and removal of monitor.

Commercial Notebooks Carepacks

Post Warranty Promotion

Warranty about to expire, but aren't quite ready to replace your PC?

An HP Care Pack Post Warranty Service keeps you covered until you buy new hardware.

You can purchase an additional year of coverage with our Post Warranty Service, increasing equipment availability and productivity.

- Post Warranty Care Pack services can be purchased up to 90 days before current coverage expires and no later than 30 days after the current coverage expiration. Equipment must be in good operating condition at time of purchase. Care Pack Post Warranty starts when current coverage expires. Hardware product must have more than one year of service life left in order to be eligible for post-warranty coverage. Post Warranty Care Pack services are not stackable*.
- *Stacking refers to when a standard Care Pack is purchased at the same time as a Post Warranty Care Pack. Post Warranty
- Care Packs must be purchased following the time line outlined in this document (Brief link attached below).
- Post Warranty Service Brief : <https://1drv.ms/b/s!AtVBOHnvlJoRgXY8dXxMVP9OUZ9g>
